ONE OF THEM GROUP

(PTY) LTD

BUILDING BUSINESSES. CREATING OPPORTUNITIES. DELIVERING SOLUTION

CORPORATE COMPANY PROFILE

A practical services group based in Cape Town

BUILDING BUSINESSES. CREATING OPPORTUNITIES. DELIVERING SOLUTIONS.

Who We Are

ONE OF THEM GROUP (Pty) Ltd is a Cape Town-based South African company established to develop and coordinate a portfolio of practical service businesses. The group's business journey began in 2022 and it was formally incorporated in 2026. Its current operating businesses are Cape Tree Masters and Fruitful Bough.

Our focus is to build a sustainable operating structure, strengthen our service businesses and pursue suitable opportunities with private clients, contractors, property managers, developers and procurement organisations.

Our Approach

- Understand the client's scope, location, programme and site conditions before an engagement.
- Match each enquiry to the relevant operating business and available resources.
- Work within applicable permissions, safety requirements and agreed terms.
- Build long-term working relationships through clear communication and practical service delivery.

Developing Service Areas

In addition to its current operating businesses, the group is developing further service offerings in the following areas. These are developing offerings and are not presented as independently established subsidiaries.

- Cleaning services
- Welding and fabrication
- Renovations and maintenance

Working With Us

We welcome suitable enquiries from private clients, contractors, property managers, developers and procurement teams. To help us assess an opportunity, please share the work required, project location, expected programme, site access conditions and any relevant onboarding requirements.

Every engagement is subject to assessment, available resources, applicable permissions and safety requirements, and mutually agreed terms.
